Tri-Star Disaster Recovery Inc.

December 3rd, 2013

Dear Konstantino,

We would like to thank you for putting our home back together. After the flood we were completely devastated, our home looked like a war zone. We had waited weeks after the flooding occurred, and Konstantino called us to inform us Tri-Star would be completing the rebuild. Tri-Star was at our door the following morning and they went through the rebuild process step by step with us. We were very happy to see the progress every day when we got home. Special thanks to Peter and Albert, their efforts were noticed.

Konstantino, we would recommend Tri-Star to anyone who should need your services. In closing, thank you for your hard work and your attention to detail. You have a very satisfied customer.

Sincerely,

Gabriel Peraza
